

Beth Eggert Wedding Photography

I am Beth Eggert, owner of Beth Eggert Photography. I have been in business in the Chesterfield, Michigan area since 2005. I began photographing weddings in 2008 and really enjoy the fast paced, fun, and challenging photography that weddings provide. My style is traditional with a twist. I work hard to make sure that I capture those special moments of your day, from getting ready to cutting the cake - helping you to preserve those memories .

At Beth Eggert Wedding Photography we offer our brides and grooms a full engagement session. You may be thinking that you don't really need an engagement session because you are going to have many beautiful wedding images to choose from - and you will. But the engagement session is about much more than getting more beautiful images... it is about us getting to know you, and you getting to know us. After all, we will be with you on one of the most important days of your life. Taking the time to become familiar with the way you as individuals and as a couple interact, and your style, is invaluable.

Your engagement session can be held in the studio or on location. Often we'll take our clients to a place with special meaning - a certain park, a certain restaurant, or city. You will receive 3 digital files from your engagement session.

For your wedding day, we offer two wedding day packages Both include two professional photographers. The first package is coverage up to 8 hours ~ starting at \$2,900.

The second includes coverage for up to 12 hours ~ starting at \$3,900. Every wedding is a bit different from the one before so we'll get together to set a time-line and talk about the images that are most important to you. Included with our both services are: an engagement session and 3 digital files, two professional photographers, and a flash drive with lightly edited files

We offer a full line of beautiful albums and storybooks to choose from.
